

「今を見つめ、明日を描く。」

PRIDE [誇り]

美しい山や川、伝統と文化、そして街角の笑顔。
見渡すほどに増えていく、ふるさとの魅力。
やがてそれは誇りとなり、人々の心にしっかりと根付いていく。

Watch today closely, and make a vision for tomorrow

Our city offers you beautiful mountains and rivers, tradition and culture, and smiles on the street.
Every time you look over the city you will find the charm of our hometown. This charm generates pride towards our city, and the pride stays firmly in our minds.
